

welcome

Finding your way through such a large facility can be stressful, especially if this is your first visit here; we have developed this map to help you get to where you need to go, as quickly and efficiently as possible. Moreover, with the recent addition of the new Medical Offices at Ivinson, as well as the recent changes to parking, we encourage you to look over this map so that you can plan your next visit accordingly!

PARKING

Indoor Parking Garage

The most convenient way to enter the building is through the Indoor Parking Garage, which provides covered parking and an elevator that takes you directly to *General Admitting* and the new *Medical Offices at Ivinson*.

Outdoor Parking

Those who would prefer to park closer to a specific department may also park in any of the outdoor parking spaces that are designated for guests and patients. You can use this map to decide on the best place to park.

VISITORS

When To Visit

A patient's family and friends may visit 24 hours a day. Quiet hours are from 7PM to 7AM. After 8PM, visitors must enter through the emergency room.
